How to speak Canadian

Come to the program May 19th (Tuesday) and learn about our neighbors to the North *Canada*.

When visiting with Canadians I find they know a lot more about the USA than I feel certain most of us know about Canada. And yes they do have some sayings different from us! It will be a fun evening.

Ginny Coombs lived in Canada for two years and will share some insights with us also. Ginny has also, in the past 16 years, driven through Canada about 30 times on the way to/from Alaska.

She takes her time driving in Canada she says because it is very beautiful and I enjoy the folks that I meet along the way.+ The ~~How~~ How to Speak Canadian+ was actually shown by the Friendship Force Club of Ottawa!

From the President's Desk Margret Boes-Ingraham

Hello Friends,

We are excited about the exchange planning for Niagara, Canada. **The Canadians will arrive June 24th. This is a WONDERFUL way to experience what Friendship Force is all about. Plan to come to some of the activities planned.** Volunteer to be a day host and I believe you will have a GREAT day. Actually, even a half day if that is all the time you can allot. This will give you a chance to become acquainted with one or two of the Canadian visiting ambassadors. My experience with the Canadians is that they are really a LOT of fun.

Sometime we find there are **things in our own home town we have not taken the time to see or go to.** Friendship Force lets us be a sustaining cause, support local businesses and entertainment.

Let's make 2015 and 2016 a year you will remember and create fond memories and new friends across the border to the north, in the USA and in our own wonderful city and state.

Membership Report

Kris Hill, VP Membership

We are currently at 70 members, which is a very good number for a FF club these days. We have shown real growth the past year and a half. Thanks to all who invite guests to our meetings and events. At the social in April, Susan Hilton brought three guests! That is by far the best way for people to learn about our club.

Please take a look at some of the beautiful FFI color brochures out at the general membership meeting. We have attached cards with Margret and my contact information, and have distributed these to all interested people. I have left some at the Millcreek Library foyer.

These brochures can be left in public areas of libraries, and community or senior centers as long as we get the permission of the facility. Just show the brochure to a facility employee before posting. The brochures are also excellent one-on-one, if you have an interested neighbor, relative or friend who needs more information.

We'll take a break from our membership drawing in May but please still continue to wear those name badges. In July, we'll resume the drawing for anyone who wears a name badge and for all guests. And in September, we'll have a special drawing for all new members and all those members who referred them. Hope everyone has a great summer!

Incoming Exchange Niagara, Canada June 24 to June 30, 2015

Dasha Prokofyeva is the Exchange Director for our incoming exchange from Niagara, Canada in June of 2015. She is very excited to plan an exciting program to introduce the Salt Lake area to our Canadian friends.

You may call Margret at 801-424-2850 or e-mail UtahFriendshipForce@gmail.com with your interest in the exchange

Welcome Bags --- We will give each visiting ambassador a welcome bag from our club. We have decided to use a small bag around a gallon size zip lock bag so that everything in the bag is useful.

If you know of a local business that might donate something travel size or very small for the bags that would be helpful. Items such as toothbrushes, lip balm, healthy snacks, Utah map, and memorabilia.

We could use a few more items for the bags. These could be brought to the May meeting. We have 16 Canadian ambassadors so we would need 16 items.

You may e-mail **Donna Mirabelli** at dmirabe188@aol.com if you have questions about any item.

Outgoing 2016 Exchange to Greater Hamilton and Burlington, Ontario, Canada

We've been assigned this club for our outgoing exchange in 2016. Here's some information on them and the area excerpted from the FFI website:

Ours is a small but active club (51 members). We usually host two inbound exchanges each year, and in turn do two outbound; recent outbound exchanges have taken us to Brazil, Costa Rica, Germany, Holland, California, and Texas. Since the fall of 2010 we have also organized two inbound global invitational exchanges with a focus on the performing and visual arts all around us.

While most of our members live in Hamilton and/or Burlington at the west end of Lake Ontario, we also have and welcome members who live in Toronto (just under an hour to the east of us).

About the region: Situated at the western tip of Lake Ontario and conveniently located within an hour of Toronto & Niagara Falls, the neighbor cities of Hamilton and Burlington await your visit.

About a typical Exchange: On a one-week club-to-club exchange, we typically program an overview of our area and its many attractions. In addition to the best of Hamilton/Burlington, we give guests an opportunity to visit Niagara Falls, Toronto, and frequently, a two-night "Cottage Outing" in small groups at lakeside and woodland vacation homes belonging to our members.

Our themed invitational arts exchanges, which have included trips to The Stratford and Shaw Festivals, concerts and plays in Hamilton and Toronto among other things, have very quickly been oversubscribed each time they were offered.

Interest in an exchange in Vietnam

We have been contacted by Friendship Force International to accept an exchange to SLC from Vietnam. This would be for 2016

The 2016 schedule at this point is an outbound visit to a club near Niagara, Canada, date to be determined. And in late September an inbound visit of a Global Exchange for 3 days in SLC plus 2 days in Moab with emphasis on memories of 2002 Olympics. Please give me your input on the interest for also accepting the Vietnam visitors.

Water Bottles and Personalized Pens for Sale

We have new water bottles with Friendship Force information that are collapsible. We will have them and pens available for purchase if you are interested. Water Bottles \$2.50 and pens \$1.00 a great way to start a conversation about Friendship Force.

The pens also have a stylized and both have Friendship Force e-mail on them. Great gifts when you travel to other clubs. These items will also be in the Canadian Welcome Bags.

Friendship Force March Social at International Luggage Center

International Luggage Center (Travel Outfitters) 328 N. Hwy 89 <http://internationalluggage.com>

Susan Hilton (our gracious social event organizer) arranged for after-hours FF members plus friends travel product overview at *Travel Outfitters* in North Salt Lake.

Close to 20 people came and were given an up close and personal presentation from the owner Mark and a long time employee on travel safety, comfort, organizing, electrical, personal items, toiletries, airport security, and PACKING.

Mark and Becky gave us updates on new products and packed more into one carry-on than anyone thought humanly possible, and made it look easy. The packing demo can be viewed on line on the company website.

Did you know that:

New luggage tags show only your name and hide address information. A new "con" is to have a person chat you up while in lines at the airport, finding out how long you will be gone and other trip details while a confederate is taking down your home address information from the tag. Guess what happens to your home while you are gone.

New bedbug spray is available that is totally organic and non-toxic. Bedbugs are supposed to hate the smell and stay away. And, the tub is the safest place to pack and unpack your luggage if bedbugs are a worry.

Anti-Microbial Socks have an odor killing ingredient woven into the fabric. Mark swears they are good for a week of wearing and no stinky feet. No-one volunteered their husband to try them But - I think FF should verify this information with a demonstration project.

Mark gave everyone a 10% discount on any items purchased that night and provided munchies for while we wandered around the shop looking at all the travel gadgets. It was a bit like travel Disneyland in the Magic Kingdom of packing cubes.
